

# Patchwork Trails

## 2020 Walking (& Talking) Season

Patchwork Trails combines exercise, education, friendship, and fun! Each walk will showcase seasonal beauty unique to each property. We'll look at what's blooming, what's singing, what's flying, what's underfoot.

This year, we'll also explore the novels of Gene Stratton-Porter! Each month, one book will be recommended. You can read it and join in the discussion, or just come to enjoy the walk.
